President Royal F. Netzer

Many of the things which we worked for and dreamed about during the last fifteen years are beginning to be realities. This is true not only with respect to the physical expansion of the campus, but even more so with respect to programs offered and the size and scholarly strength of the faculty.

In the next few years we must make great efforts to consolidate our gains and refine them while at the same time seeking new ways to improve instruction and learning for more people.

I am confident that the coming years will be both exciting and profitable for State University College at Oneonta as an institution of Higher Education.

Education Department Adds Six New Positions

The Education Department has grown in numbers this year with the addition of six new positions. Much time is being spent this year planning for the occupancy and use of Classroom Building #2 which the Department will occupy next year. This year for the first time the College has a regular full-time graduate fifth year program for the training of teachers for the elementary school and for English and Social Studies. Approximately 15 full-time students are enrolled in this program. The Department has several other graduate programs under way. The largest single group is in the field of Guidance where there are 12 full-time students. General Elementary Education students will be offered an increasing number of concentrations, particularly at the graduate level. Dr. Jalbert, Dr. Sampson, and Mrs. Lake are on leave of absence during the 1966-67 school year.

The Psychology Department, with Dr. Howard Berkowitz as coordinator, has been augmented this year by the addition of seven new faces. This year courses in Physiological Psychology are being offered for the first time. The Psychology staff is studying proposals for the development and improvement of programs in the field of Psychology. The portion of Classroom Building #2 which will be devoted to Psychology will be equipped with a complete set of modern laboratories. It will be possible to offer a rich program in all areas of experimental psychology and supporting fields. Mrs. Knox and Mrs. Badgeley are on leave of absence during the first semester.

Supervisors Aid Student Teachers

At Oneonta student teaching occurs in the later phases of the teacher education program. A student-teaching position is provided once the student has sufficient background in the theoretical foundations of teaching and learning. The student teaching experience provides opportunity for the student to begin developing his individual teaching style with accompanying diagnosis and analysis of his teaching performance.

This study of teaching occurs largely in an eighteen county area and in the Bugbee Campus School. During the present year over one thousand public school teachers functioned as supervising teachers for Oneonta students who majored in elementary, early secondary, secondary and home economics education.

The student teaching program at Oneonta recently received a citation for excellence by the American Association of Colleges for Teacher Education.

Bugbee Helps Prepare Teachers

The best possible school for children and the best possible laboratory for helping prepare future teachers are the basic purposes of the Campus School. This chief justification for the existence of Bugbee is its contribution to the preparation of teachers. This is accomplished through observations, demonstrations, participation, student teaching supervision, experimentation, and post-student teaching experience.

The highly qualified staff, the excellent facilities, and the alert student body, provide a continuous laboratory that develops a readiness for teaching and an opportunity for college students to experience teaching activities and participate effectively in the growth of children.

Science Department Sees Future Expansion

The Department of Science consists of thirty-four full-time faculty members representing academic specializations from many fields of biology, chemistry, physics, and the earth sciences. They earned their degrees from nearly fifty different colleges and universities, and they are very active in giving talks, conducting workshops, writing publications, participating in science meetings, and serving in key roles in professional scientific organizations. The National Science Foundation has continued to award summer and in-service institutes for science teachers to the college, bringing many more graduate students here for training in the fine science facilities.

Math Courses To Be Presented On Television

Mr. Norman Sweet—Math

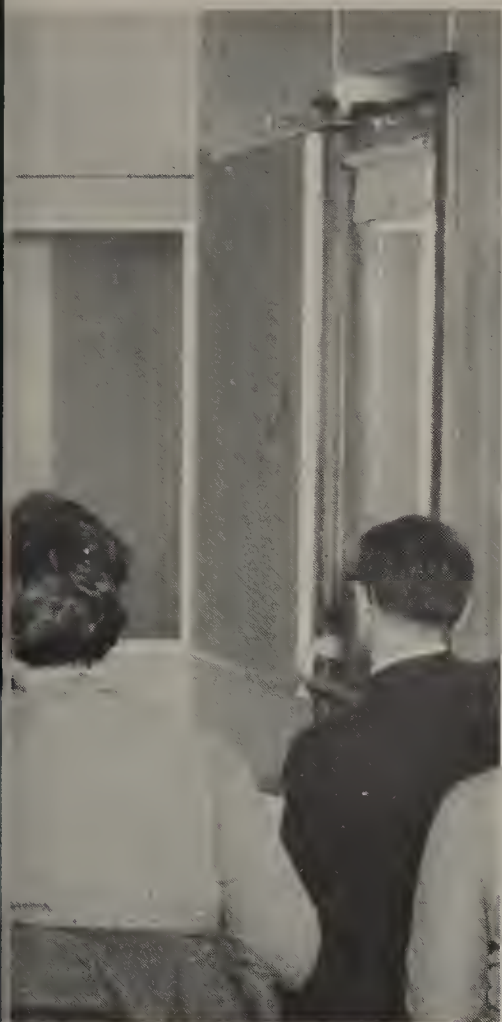

Mr. Edward M. Stone—Math

Since the class of 67 crossed the threshold of Oneonta in September 63, the Math Department has grown from a staff of ten to just double that number. As a freshman you may have been taught by Professors Vedder, Van Akin, Thomas, Schrader, Greider, Burns, Biché, Baskin, Hunt, or Aronsen. Today Mr. Thomas and Mr. Greider are on leaves of absence pursuing doctoral studies at Columbia and Oklahoma University, respectively. Mr. Van Akin, the recipient of a special National Science Foundation Fellowship, is similarly engaged at the University of Minnesota, as is Mr. Burns at the Catholic University of America. Mr. Biché is now serving as Associate Dean of the College. Mr. Vedder, besides teaching in the Graduate Division, directs the general freshman program. Mrs. Schrader conducts the Junior Seminars. Mr. Baskin has taught most of the graduating math majors either their Advanced Calculus or their Statistics.

Next year the general freshman math course will be presented on television, with several others of the more largely subscribed courses soon to follow.

Mrs. Barbara Schrader—Math

Dr. Francis P. Egan—Chairman Math Department

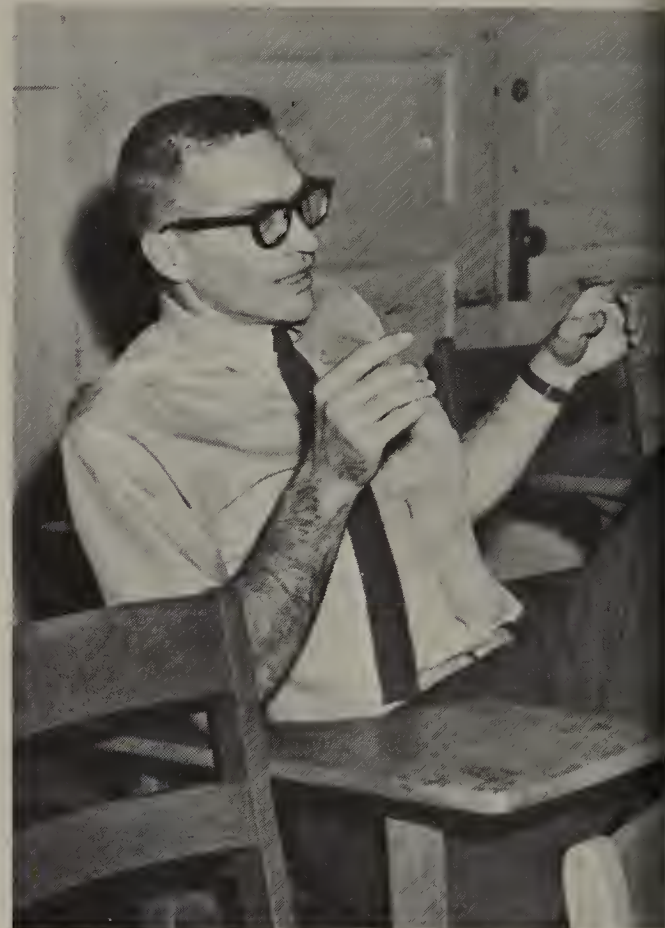

Dr. Chao Hui Yang—Math

Mr. Robert Wheeler—English

The Department of English, Speech and Theater has currently a faculty of thirty-four members, whose specializations represent varied aspects of linguistics, film, theater, speech therapy, and the language arts.

During the 1966-1967 academic year, two of its permanent members have been away on leaves: Dr. George A. Test is a Fulbright lecturer in American literature at the University of Chile, Santiago; Mr. Richard G. Frost is spending the year writing in Europe.

Dr. Fred Miller—Speech and Theater

Speech and Drama Expected to Expand With Opening Of New Building

Dr. Stanley Weisberger—Speech

Mrs. Muriel Kellerhouse—Speech and Theater

In addition to the programs in debate, drama, and radio, highlights this year in speech and theater include the following: initiation of the new secondary-education curriculum leading to the certification of teachers of speech, publication of the *New York State Forensic League Newsletter* here at the League's headquarters, and the growth of our Oral Interpretation Festival as a statewide service to high school students interested in language arts.

Perhaps the most dramatic facilities development on campus this year has been the rise of the Fine Arts Building. Occupancy is expected next fall. With this new center, the speech and drama offerings will expand to fulfill more completely the college commitment as a dynamic cultural center.

Foreign Language Department Happy About Installment of New Language Lab

It has been a busy year for the Foreign Language Department. Several new programs were introduced to expand the opportunities for study in foreign languages. An experimental program in independent study in critical languages was begun. Portuguese, Chinese, and Hindi were offered in the program during the first year. A new language laboratory was installed in the Classroom Building. With 53 student positions and additional program sources, the new facilities more than doubled those previously available.

In an effort to provide interested students with more opportunities to speak foreign languages, the department helped organize a language corridor in Denison Hall for women and in Sherman Hall for men.

Miss Elizabeth Bankston in French and Spanish, Mr. David Caddis in German, and Miss Brenda Scadron in French joined the department this year. Mr. Frank Sargeant replaced Dr. Donald Henderson, who was on a one-year's leave of absence in Spain.

Miss Shirley Serviss—Spanish

Mr. Peter Macris—German

New Home Management House Added To Home Ec. Facilities

Mrs. Trader—Home Economics

Dr. Havens—Home Economics

Miss Weigand—Home Economics

The objectives of the Home Economics program are primarily three: To enable students to develop a high degree of competence as professional home economists, to help them to enrich their personal lives, and to increase their effectiveness as citizens in society. Both curricular and extra-curricular experiences are utilized to achieve these ends. The Division is particularly proud of its Home Economics Chapter and the role it plays in developing leadership qualities in its students.

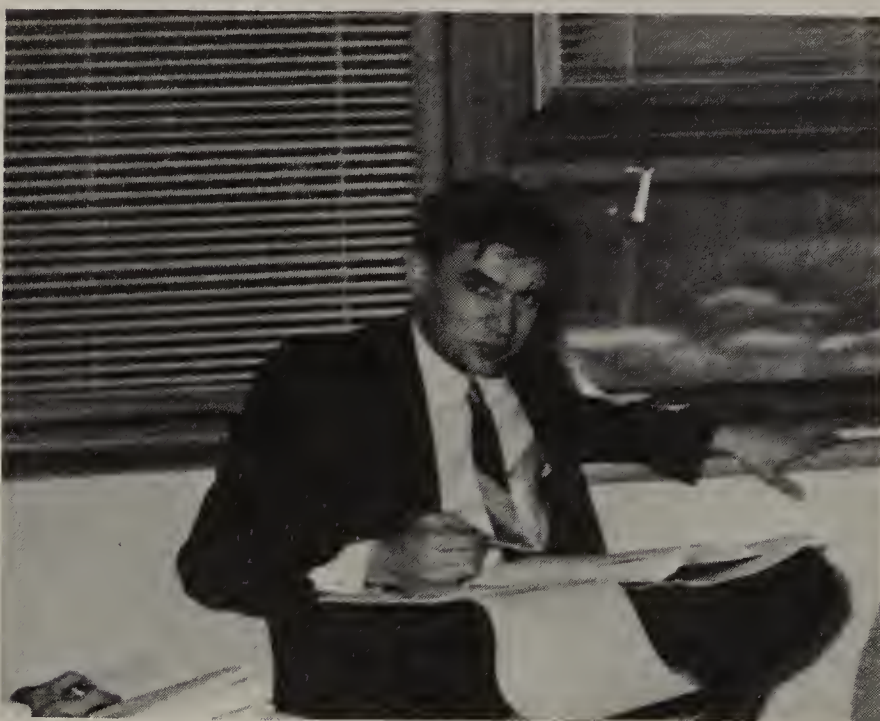

1966-67 could be characterized as a year of growth in the Home Economics Division. It has witnessed the largest total enrollment of Home Economics Majors to date, the largest number of seniors to be graduated, and a proportionate increase in faculty and staff. A second home management residence has been added to the physical plant and additional student teaching centers have been utilized.

Economics To Be Taught By Television

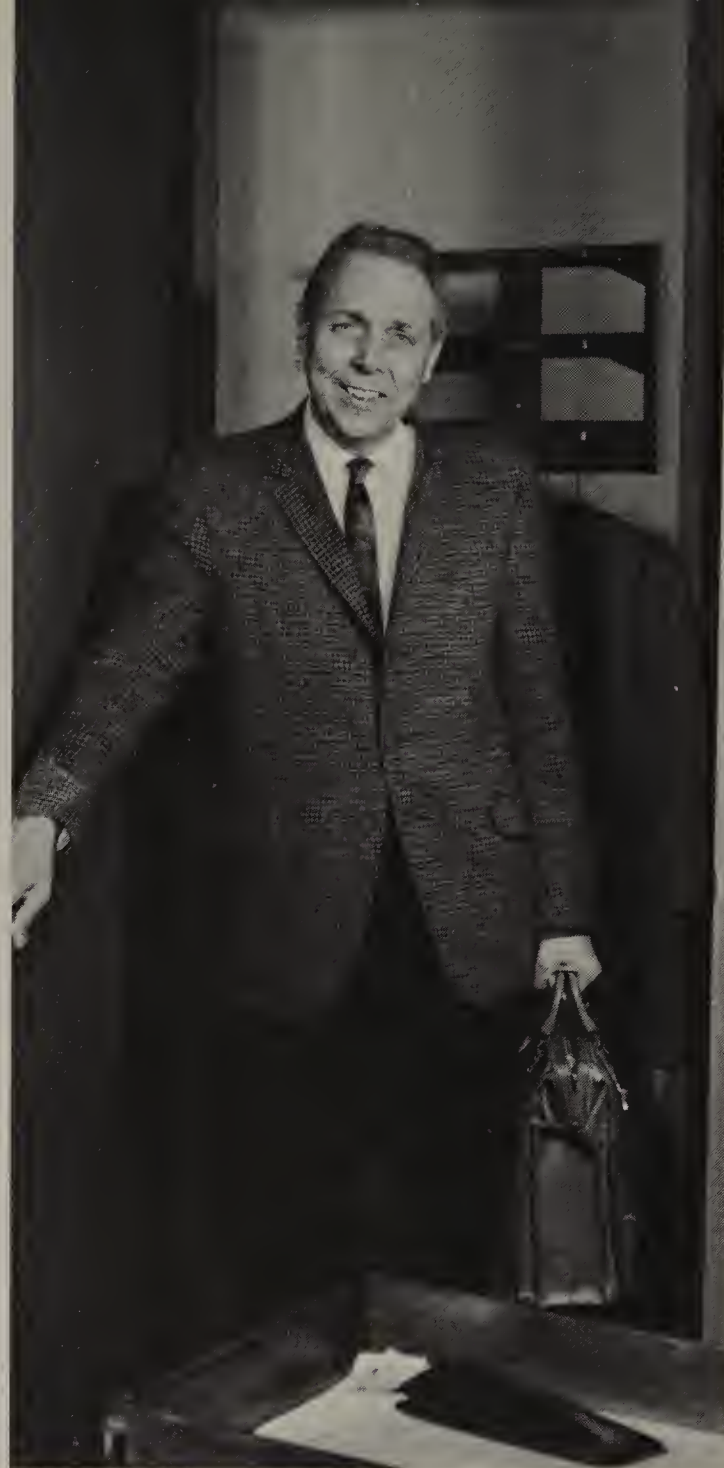

Social scientists are active people and their interests were reflected in department activities during the year. Dr. Gordon taught the basic economics course over closed circuit television on an experimental basis. During the year he also won a national award for innovations in the teaching of economics.

Among the political scientists, Dr. Gordon experimented with an independent study type of approach in his Government of Great Britain. He set up a year-abroad program in Wurzburg, Germany, which begins in the summer of 1967. Professor Yonah Alexander also developed an overseas course in modern Israel for the summer of 1967.

Department members authored several books during the year. Dr. Alexander's work on the technical assistance expert was published. Dr. Gordon's text on economics appeared during the winter, Dr. Fink co-authored an American History textbook, and Dr. Ryan contracted with Public Affairs Press to publish his manuscript on Marshal Petain.

Dr. Hae Soo Pyun—Philosophy

Staff Member Prepares Book

The philosophy department this year has been fortunate to add Dr. Hae Soo Pyun of Columbia University to its staff. Dr. Pyun is presently preparing a book on the American philosopher, F.J.E. Woodbridge, and he is also translating some basic works on Chinese philosophy and ethics.

The task of building a major in this field for our college is in the hands of Dr. David DeGrood. Dr. DeGrood is the author of one book in philosophy and is currently writing another. He has been with our staff since 1964. The department normally offers twelve different courses annually.

Art Department Awaits New Building

The new Fine Arts Building is scheduled for completion by September 1967. Facilities in this building include an Art gallery, a sculpture garden, student lounge and well equipped studios, classrooms, seminar rooms, offices and storage areas.

All members of the Art Faculty have continued to exhibit their work in Regional and National Art Exhibitions, and have been honored by awards, prizes and one-man exhibitions.

Mr. Dan Young won the National Merit Award in 1966 for his pottery piece, *Form Architecture*.

Mr. James Mullen had one of his drawings purchased by the Everson Art Museum in Syracuse for their permanent Art Collection.

Mr. Mahlke, Mr. Young and Miss Burmeister have had one-man exhibitions at the Oneonta Community Art Center.

Mr. Donald White has been invited by the Institute of History and Art in Albany to have a one-man show of his Watercolor panitings.

Mr. George Zimmerman received a grant study on *Islamic Art*.

Member of Music Department Has Composition Sung by Dartmouth

The Music Department is eagerly looking forward to moving into their new building and the additional space they will have there. A member of the Music Staff, Mr. John C. Worley has one of his compositions being sung across the country by the Dartmouth Glee Club.

Mr. Burnsworth, head of the department, is now in the process of making plans for the Women's Glee Club trip to Europe during the summer of 1968.

P. E. 103 To Be Televised

Health and physical education were combined last year into one department, with Dr. G. Hal Chase as its chairman. Mr. Stam, Miss Kingsley, Mr. Fodero, and Mr. McLean are co-ordinators of men's activities, women's activities, recreation, and health education, respectively. The School Nurse-Teacher Program, which is now a regular session program, is under the direction of Miss Edith Waldemar.

Both teachers and gym facilities are kept busy, after regular class hours. Among the faculty members, Miss Kingsley is doing research work in methodology of education, for a doctorate degree, Mr. Hurley has written and published a magazine article, and Mr. Fodero has completed a research article on weight lifting.

Aside from class time, the gym facilities are open and utilized daily, without charge, by students, and by faculty members and their families, for a variety of extra-curricular activities.

Besides offering a total of 92 courses, next year, to provide for nearly 2,000 students, the fall semester will see a change in the women's basic course, which will be scheduled in a two-hour block of time, with one hour of televised, taped lecture and one hour of physical activity.

New Health Center Opens

Each full-time student is provided a variety of health services while he is in residence at the College. These include facilities for first-aid and emergency treatment, short-term health center care, consultant service from the college physician, referral services to local physicians, and special immunizations when necessary.

The College maintains and operates these health services, including the Health Center, with the purpose of providing for the ill or injured student the type of health care which will result in the least interruption of his education; it is also concerned with the student developing a sound appreciation of good health and medical care.

Library Undergoes Expansion and Change

This year the library has undergone quite a bit of expansion. There are two new staff members; Mrs. Meeker and Mr. Albert Wong. There is also an active group of students working at the library. There are new adjustments and a lot of moving going on in the library this year. There was a tremendous increase in the number of people who used the library this year, the number going from 235,082 to 288,066.

CANDLELIGHT CEREMONY

Candlelight, held one evening each fall, remains as one of our most meaningful traditions. At this inspiring ceremony the student body forms a horseshoe on the lawn of Old Main. A candle held by each student is lighted in succession around the horseshoe. This year's speaker was Dr. Leimkuhler.

Frosh Week Includes an Afternoon at College Camp

From R.A.'s plus one entertained freshmen

Our College Camp, located only a mile or two from the campus, gets a real workout during the school year. Activity starts there with the Friendship Committee-sponsored Freshman Week, when the freshmen head out for a day of fun and games, ranging from a hootenanny to egg-throwing contests. The College Camp is open to any accredited college organization for use.

The appearance of the Dave Brubeck Quartet, on September 15, 1966, marked the end of Freshman Week and the beginning of a new semester. Although the music provided was aimed at a jazz-oriented audience, the versatility of the performers was appreciated by all segments of the audience. It was an entertaining performance.

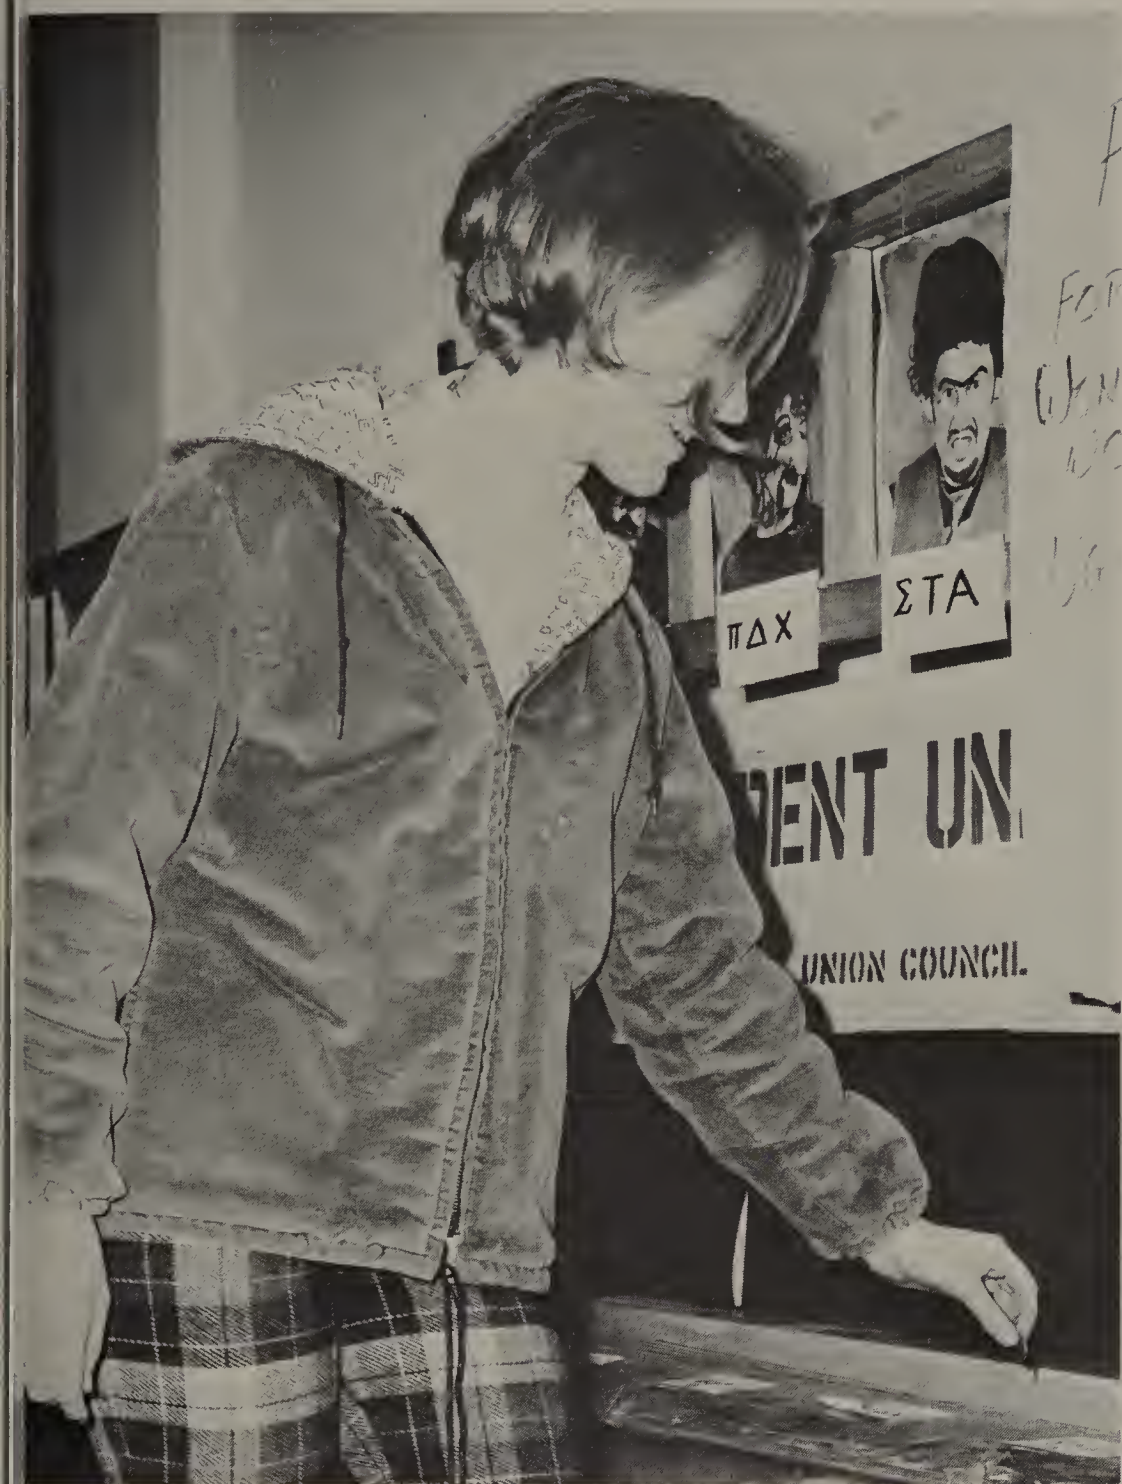

Dick Gregory Comes To S. U. C. O. For Fall Weekend

Dick Gregory is a well-known professional comedian. But for those who were present at the Fall Weekend "Wonderful World of Dick Gregory," he was much more than this.

Not many will forget his quip when the lights went out, or his extraordinary personality and show of intense feeling. His appearance was truly an educational and enjoyable experience for all who attended.

Wonderful World of Ugliness

In following the theme of the weekend, Alpha Phi Omega, the service fraternity, sponsored "The Wonderful World of Ugliness" to raise money for the Muscular Dystrophy Foundation.

Retouched photographs of representatives from each of the nine Greek organizations were on display for more than a week, with coin boxes beneath the pictures. The object was to vote for the "ugliest" candidate. The candidate whose picture collected the most money was to be declared the winner. The proud winner of the contest was Miss Kathy Dougherty, representing Alpha Kappa Phi Sorority.

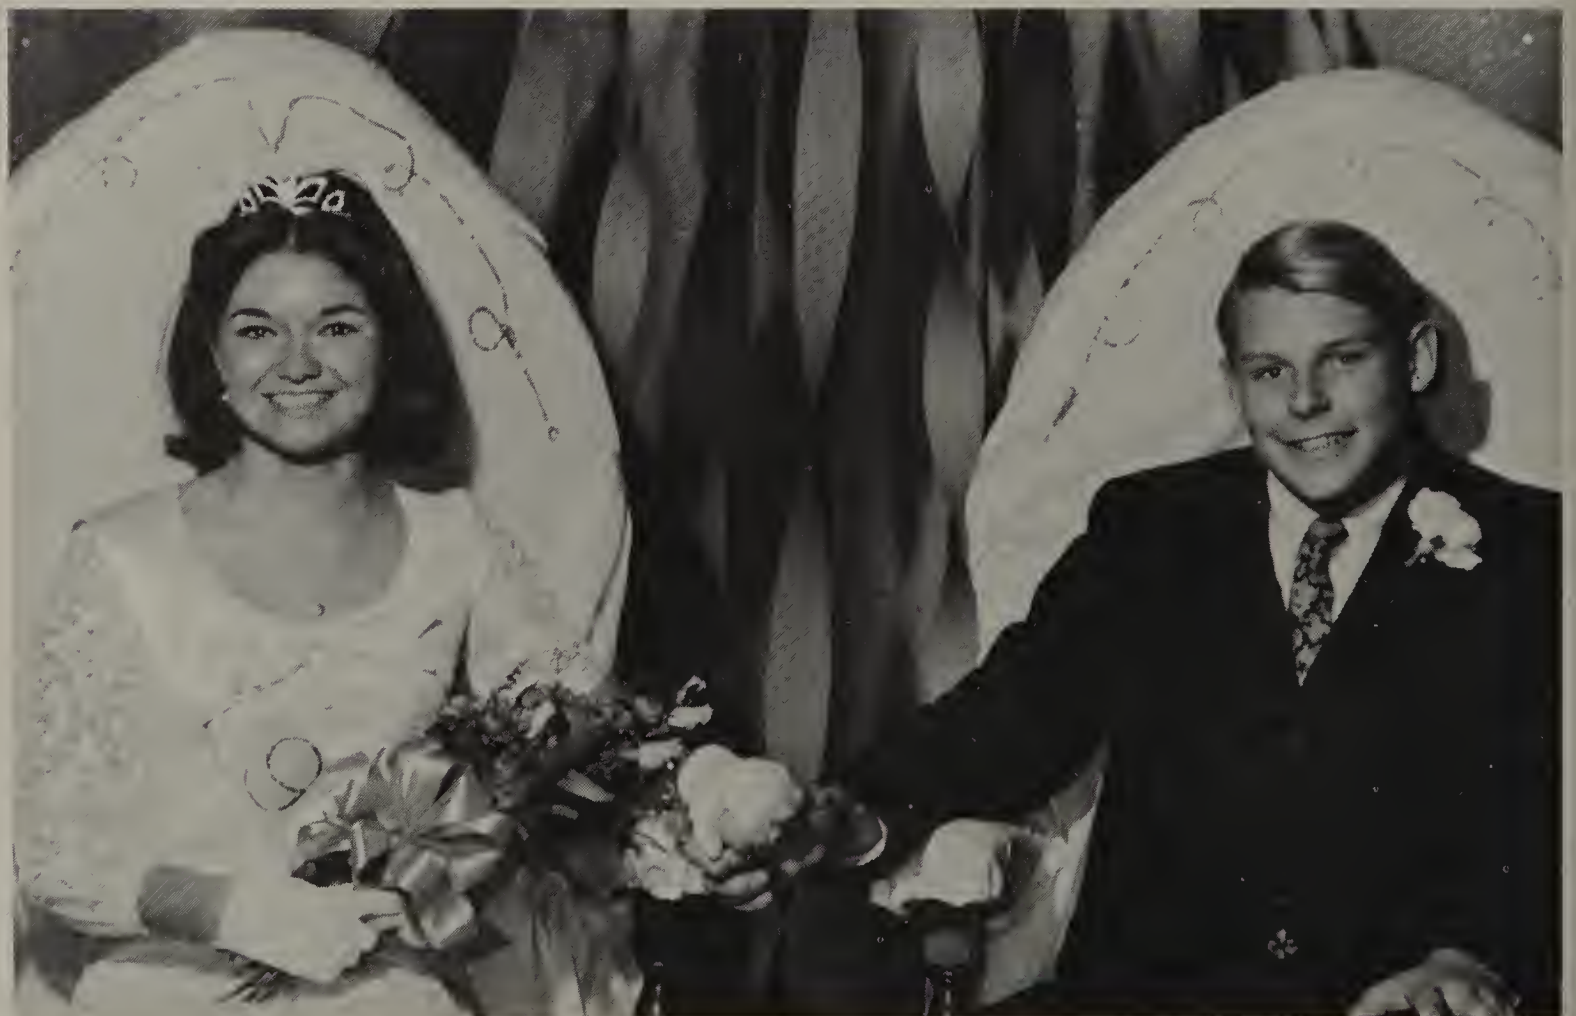

Sponsored by College Union, Fall Weekend is the first homecoming of the year. It was started this year with the appearance of comedian Dick Gregory on Friday evening. Saturday festivities started with a float parade with contributions from the Greek organizations and dormitories. Winners in both categories were the Agonian Sorority's Wonderful World of Progress and Tobey Hall's Wonderful World of Children.

At the Fall Weekend dance, the king and queen were chosen from the representatives of the four classes. The freshmen candidates, Jayne Oakley and Kim Blair, won.

Rockefeller Dedicates Health Center

Gov. Rockefeller speaks of expansion.

Gov. Nelson A. Rockefeller arrived at the SUCO soccer field on Wednesday, September 28, 1966 at 11:20. Some 2,000 people, mostly students, were there to greet him. Rockefeller was given a brief inspection tour of the new campus before dedicating our new Student Health Center. Speaking of the rapid growth of the State University of New York, he said, "This means more to me than a ceremonial duty. It's one of my great goals come to life." Rockefeller mingled freely with the students who were given classes off so that they could be on hand to greet him.

Senator Kennedy Comes To Oneonta

Senator Robert F. Kennedy of New York attended a seven-county Resources and Conservation Development program held at the College on December 2, 1966. The audience consisted mainly of SUCO students who gave him a standing ovation when he entered Alumni Hall.

Following the discussion on the conservation program, Senator Kennedy answered students questions on a wide range of subjects that included Viet Nam, the Holiday Truce, end of the war, President Johnson's chances for re-nomination in 1968, Red China, the drafting of college students, and the state lottery.

Sigma Tau Alpha Presents White Rose Ball

Last year's Queen, Margaret McCauley, crowns Gail Ford, 1966 White Rose Queen.

The White Rose Ball is an annual event sponsored by the brothers of Sigma Tau Alpha. Each sorority selects a sister to compete for the highly-coveted title of White Rose Queen. After weeks of campaigning for their candidates, the sisters and all the other guests await the moment when the votes are counted and the new queen is announced. This year, the brothers were proud to announce as their 17th White Rose Queen, Miss Gail Ford of Alpha Kappa Phi.

Mask and Hammer Presents "Bell, Book, and Candle"

John Van Dreuten's "Bell, Book, and Candle" was brought to the SUCO stage on November 3, 1966. Mask and Hammer veterans Aileen Abrams (Gillian), Al Maddalena (Shepard Henderson), Lois Piva (Aunt Queenie), and Doug Carver (Nicky) were joined by newcomer Bill Mullahy (Sidney Redlitch) in this production. Fine characterization by the whole cast and special magic effects made "Bell, Book, and Candle" worthwhile for the SUCO audience.

Winter Weekend

Memories of the Lettermen

The Lettermen entertained a full house in the S.U.C.O. gym on Feb. 23. Their concert centered around many of their famous songs. They were enjoyed so much that they were called back for an encore. They showed their showmanship by including the audience in many of their numbers. All went away feeling that the long wait had been well worth it.

Cool Clash at College Camp

I.R.H.P.C. and W.A.A. got together to provide a Cool Clash at College Camp for S.U.C.O. students. Skinny and the Screammers entertained in the cabin at the camp while the large crowd of students danced, talked and enjoyed the refreshments provided. Other students, who are more the out-door type entered the snowshoe races or went traying down one of the many slopes at College Camp.

Tymes Entertain

Saturday night, February 24, the Winter Weekend semi-formal dance was held at the Eagles Club. The Tymes entertained at the dance with their singing. The Eagles Club was decorated for "A Winter Dream" by I.R.H.P.C. The dance was enjoyed by the many couples who attended.

The Oneontan staff is made up of any students who are willing to devote a great deal of time toward putting out the college yearbook. This year the Oneontan has undergone several changes. We have tried to keep the style as informal as possible with pictures that we feel will be of interest to the student body. This year's book is also larger than ever including a color picture for the first time in three years.

Student Senate Expands with College

Row 1: Dr. Jack Kimball—advisor, P. Grayber, E. Banovic, C. D'Agostino, G. Supparits, R. Cordell. *Row 2:* R. Mills, M. Kane, E. Gurstelle, S. Kosier, K. Jones, L. Ecton, D. Crumb, R. Lynam, H. Chaskes, L. Feltham, L. Greenbaum, R. Holstead. *Absent:* R. Orzel.

The 1966-67 Student Senate of the College managed the largest student activity budget in the history of the institution. Its Executive, Legislative and Judicial Branches undertook Student Government tasks of a wide variety. Perhaps as important as any was the study and discussion of key issues about the campus, including parking, discipline, elections, library and bookstore hours, College Union and Assembly Commission coordination, remission of student activity fees for Senators, and campus radio.

Six officers, eight delegates at large and twelve class delegates nominated student representatives to the standing faculty committees on: Curriculum, Library, Student Affairs, Publication, Public Events, Instruction, Research and Faculty-Administrative Council. Student representatives of these groups reported back to the Student Senate and

carried opinion to the several committees from the Senate.

The Senate reviewed constitutions of existing student organizations and of new student groups presenting themselves for recognition by the Senate. The special elections committee held hearings on requests by student organizations for supplemental budget funds. The Senate approved the rules and regulations, after establishing a committee designated Students United for a Responsible Education (SURE). The committee named its aim as "dedicated to insuring an open and democratic college society . . ." and its purpose to . . . "promote understanding and awareness of specific problems and situations facing the student association . . ." serving in an advisory capacity to the Senate.

The State Times is SUCO's weekly newspaper which keeps us informed on activities of the student body. Its main objective is to provide a center of information for the students. It contains editorials and articles on controversial issues as well as articles centered around college life. Along with keeping the students informed, it provides fun for its members as well as a worthwhile writing and editorial experience.

Social Studies Club Sponsors Speakers

This is a club for majors in social studies to strengthen relations between the faculty and students. Their objective is to bring in speakers of significance for discussions and debates on controversial issues. They have two speakers planned for this year. The club was started only two years ago and is undergoing expansion.

The main objective of Scope is to encourage artists by giving them help and recognition for their work. It has been published once this year and two more publications are being planned. The people who are interested in this area of writing cannot get help or get their material published in any other school publication, and so Scope gives them an opportunity to be recognized. One of the main plans of Scope this year is to bring poets to speak to the students.

This year the Young Democrats staffed and manned the headquarters in downtown Oneonta during registration and voting in October and November. They also did mailing and work for local and state candidates. They had Gubernatorial Candidate, Eugene Nickerson, at a cocktail hour and also had Howard Samuels, candidate for Lieutenant-Governor, speak on campus. They hold monthly meetings and plan to attend the Annual Convention in June.

Young Republicans

The aims of the College Young Republican Club are to promote and sustain an interest in the Republican Party and to provide an outlet for this interest.

The Club met frequently during the highly successful Fall 1966 political campaign. Its president, Thomas Chester, helped with preparations for the campus visit of Governor Rockefeller in September. Members participated in rallies for local and sectional candidates, and helped staff the Republican Headquarters in Oneonta.

Members are guests at the annual Otsego County Republican Dinner held each April in Cooperstown. Representatives also attend the State Convention of the Association of New York State Young Republican Clubs.

The campus chapter of the ACEI, which has grown steadily, now has its largest membership to date. The Association is concerned with topics involving children between the ages of 5 and 12 years, and for this reason is very helpful to teachers in the elementary school. The on-campus chapter is, of course, valuable to those students interested in teaching on the elementary level.

The programs for this academic year have included a panel discussion on student teaching, a workshop to make gifts for the children at both the Homer Folks and Fox Hospitals, a speaker to discuss the Head Start Program, and a discussion of grading in the elementary schools.

The Spanish Club was created for all students interested in the Spanish language and customs. Many varied activities have been planned and carried out this year. Last semester the Spanish Club invited the German Club and several foreign-exchange students for a Halloween Party at College Camp. Mr. Sargent, a professor at S.U.C.O., brought his slides of the Canary Islands to one of the meetings. One of the members of the club, Paul Cerra, also showed his slides which were taken during his trip to Mexico this past summer. The club also planned a trip to the New York Museum and work on a Spanish play, "Juego de Ninos," presented during the spring semester.

Home Ec. Chapter Visits High Schools

The objective of the Home Economics Chapter is to keep the girls informed on the home economics program. This year they are going to communicate their program by going into the high schools to tell the students about the College home economics program. The Chapter had as their 1966 Christmas project a mitten tree for needy children. They will bring to an end their year's activities with a banquet in May.

Kappa Delta Pi Awards Honor Key

Kappa Delta Pi is an honor society in education; therefore, the membership is selective. The organization sends out letters of commendation to those sophomores who have attained an average of 3.0 or better. They induct new members and hold a freshman reception in the spring.

This year's theme for KDP was "The Search Ahead." They offered interesting discussions and meetings concerned with this theme. One of the first meetings was about teaching experiences learned in Kentucky. Another meeting had as its prime objective the discussion of morals in the schools.

The highest award given by the Chapter is the honor key. The Chapter awarded this honor key to President Royal F. Netzer and Dr. Charles W. Hunt, President Emeritus, on May 6. This was the first time that the college local chapter had given this award.

This year SCHOR is placing their major emphasis on students rights. They are striving for the measures guaranteed in the U.S. Constitution including student rights on campus. They conducted a book drive for freedom schools and a poll on the feelings toward dorm regulations. The organization is oriented toward individuals interested in social change. Those who are interested are not only bettering their own position, but also that of others.

Debate Club

The Debate Club has grown in numbers this year, and a firm foundation now exists for an expanded program. Many of the new people are freshmen or transfers, some with debate experience. The Club offers an opportunity for intellectual growth through competitive activity.

With the College now offering new degree programs in Speech and Theater, the Club will provide an important extra-curricular addition to the oral communication program. Next year, the club will participate in inter-collegiate debate and present on-campus debates for the college audience.

Friendship Committee Revises Constitution

The Friendship Committee is the group on campus responsible for welcoming the students new to our campus in the spring and fall semesters. We start our plans with Freshman Orientation Week, which includes a day out at College Camp and a Faculty-Student dinner. The week also includes various assemblies with the purpose of giving the students views of the many aspects of college life. This past year, because of the growth of the college, a campus orientation was held. This included slides of the campus, prepared and presented by Jim Sprague. The Friendship Committee also conducts tours for prospective students and various groups who choose to visit our campus. We do our best to inform them of the many advantages and opportunities found at Oneonta.

This past year the Friendship Committee underwent a much needed constitutional revision. The membership was increased from 50 to 70 and an assistant chairman was added to the executive board.

WSGA is an organization that works for and reprimands the women students at SUCO. Their main plan for this year is the revision of hours for all women living on campus and in downtown housing. Included in this plan are key privileges for women students over 21.

This organization is also responsible for cases in which women have broken regulations. The women

students are called before the committee and asked to explain the cause or reason for the infraction of the rule or regulation. The committee is formed from elections and these girls represent the women student body.

Not represented in the following picture is Miss Baughman, the Advisor of WSGA and two members, Miss Chris Wrolsen and Mrs. Kenneth Blye.

Executive Board

The Executive Board this year has replaced the Hill Council which consisted of one main board representing the dormitories on campus. A new constitution was written to provide for representatives from each hall to make up the Executive Board.

The Assembly Commission is the only organization on campus formed with the express purpose of bringing cultural entertainment to the College. It has, in the past, presented many well-known performers, including Dave Brubeck, Bramwell Fletcher and the Bernard Shaw Story, Frans Reynders, the Fantastiks, and Dick Gregory.

The second semester, the Commission brought to the campus José Greco, the City Center Ballet and David, Del Rosa and Brooks.

The Commission has doubled its membership, and now numbers 30. The faculty advisors, Mr. Gannon and Miss Tisinger, are not pictured here.

The German Club has been very active for the past five years. Its main purposes are to give interested students an opportunity to use and develop their ability in the German language and to undertake activities which help the students understand various aspects of German civilization and culture.

One of the favorite activities at the weekly meetings is the singing of German folk songs. Other popular projects include watching German movies, inviting speakers, caroling, poetry evenings, and presenting plays.

This year the club presented a full scale version of the famous musical *The Three-Penny Opera* (Dreigroschenoper) with music by Kurt Weil and text by Bertolt Brecht.

The Science Club is opened to all students who are interested in furthering their knowledge of Science. This year they have accomplished this by bringing in a variety of speakers from many different fields. In addition, they are planning a trip to Cornell in the spring in cooperation with the Science Department.

Math Club

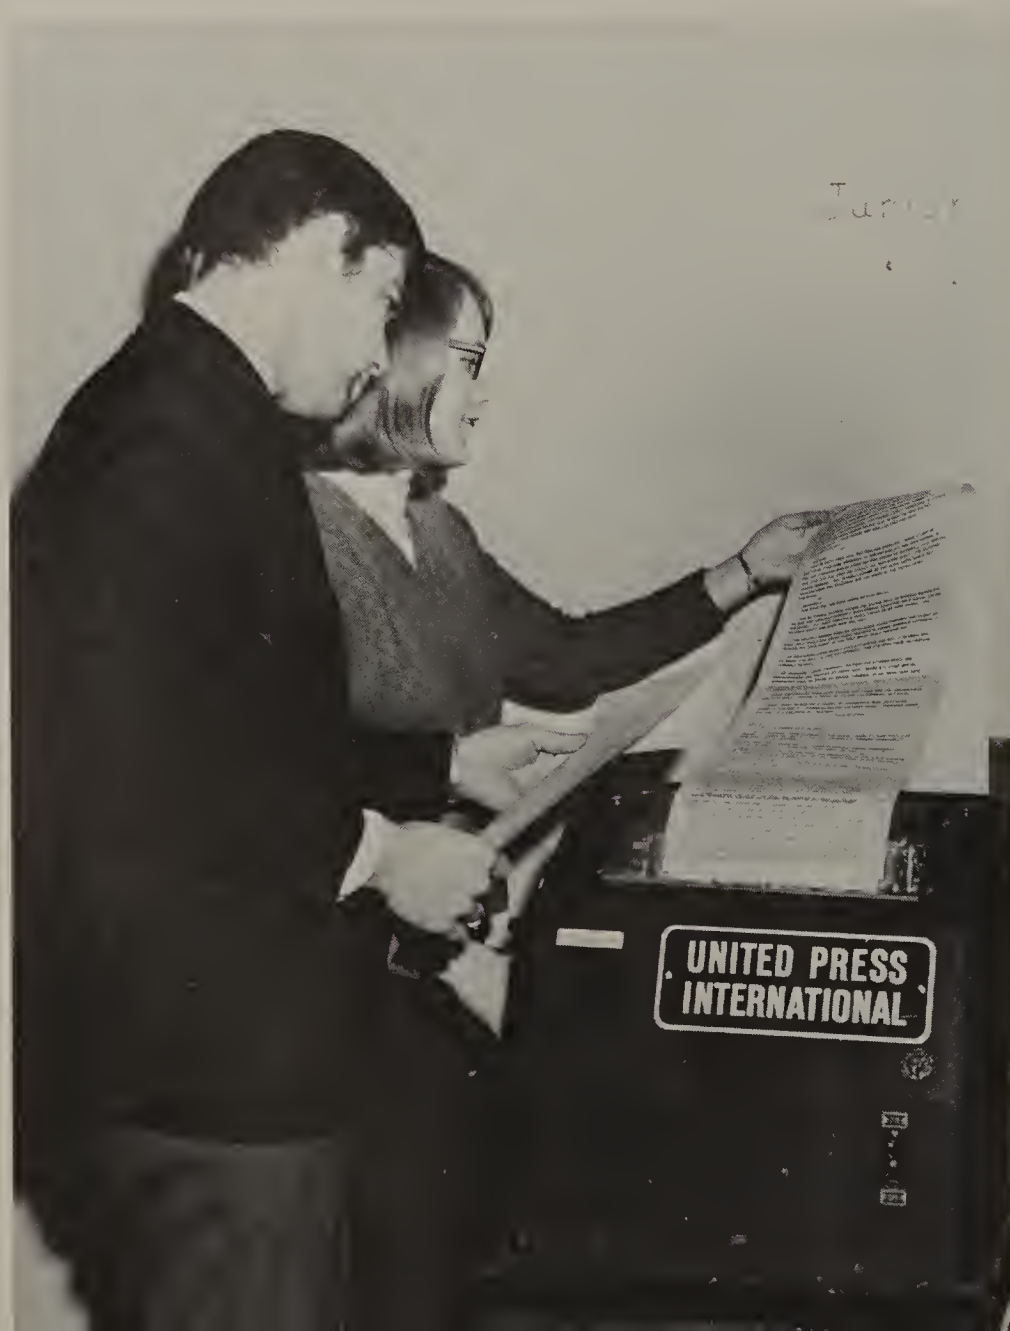

A trip to Norwich Pharmaceutical Company and an outing at College Camp are two of the activities that the Math Club sponsored this past year. Dr. Norman S. Free and Mr. Herbert Gross were two guest speakers along with the student speaker, Mark Solomon. A Student Teaching Panel consisting of: Gail Stimpson, Cliff Bentsen, John Bailey, and Roxy DeHollander was set up. The club engaged in many new activities including more movies shown, new student programs and student planning and the First Annual Faculty-Student College Camp Activity.

WONY Entertains And Informs

If asked what our favorite radio station is, we students at SUCO would have to list WONY. It is our way of keeping up with the news and enjoying it. WONY's main objective is to communicate and entertain. It is undergoing, like everything else at SUCO, expansion. WONY is covering most sporting events and is using UPI to keep students informed on the latest news. For the future, it is planning a full broadcasting schedule.

R.A.s, Proctors, and O.A.s: A New Breed?

Greased doorknobs, an involuntary shower, sitting desk till two, corridor meetings and parties, screaming "Quiet hours!", worries and many lasting friendships—these all comprise the rewarding days of an R.A., Proctor, and their close aid, the O.A.

A Resident Assistant is a junior member of the Dean of Students staff, selectively chosen to be a leader of from 20 to 40 students on a corridor. This leadership requires responsibility, diligence, and a sensitivity and warmth for other people. It is this last requirement that brings to each R.A. and Proctor many full and meaningful moments.

The Office Assistant is the right arm of the dorm director and the left arm of the R.A. or Proctor. The job requires hours of paper work and distributing the constant information to the R.A.s and Proctors, who in turn forward it to the students. An O.A.'s job is a very demanding one.

A new breed apart? Not really, just more dedicated, perhaps.

I.R.H.P.C. Works Hard For Winter Weekend

I.R.H.P.C. is unique since it represents the members of the student body who reside in the dormitories. The representatives are chosen directly from the dorms rather than from the classes. The Commission is not supported by any funds from the student senate.

The organization has grown with the college and now includes representatives from 11 dorms. (There were formerly only 6.) I.R.H.P.C. now has a new constitution in keeping with these changes.

The main purpose of I.R.H.P.C. is to encourage and develop more school spirit among those students living in the dormitories on campus. To do so, the Commission plans the activities for the annual Winter Weekend, as well as Parents' Weekend. I.R.H.P.C. also carries on a drive for the Tuberculosis Association.

Atomist Society

The Atomist Society attempts to stimulate the growth of philosophic inquiry on campus. The Society presents distinguished philosophers of all perspectives to the student body so the students may see first hand the progress of thought, not only in the long tradition, but also the most recent theorists. Moreover, symposiums are often given on controversial and provocative topics. The Society has heard addresses on "Life After Death," "Anti-Communism as a Way of Life," and others. Symposiums have addressed themselves to various topics in ethics and political ideals.

This year the Outing Club has offered the students at SUCO many enjoyable activities. In the Fall they held an annual canoe race. There were over 100 entrants from all over the northeast, including the U. S. champions. In the winter, there were skiing trips. Almost all of these trips were paid for by the club which is financed by the Student Senate. Students had an opportunity to learn how to ski at a very low rate. In the spring there are canoe teams who compete with local and out-of-state competition. Also offered in the spring are bicycle trips, rock climbing and camping trips.

The Outing Club also is responsible for the storeroom. Students can rent almost every conceivable kind of sports equipment—from racing canoes to caving and camping equipment.

Mask and Hammer Works Hard on Year's Productions

Mask and Hammer is the organization on campus which produces plays. To become a member of Mask and Hammer, one must have worked on one aspect of three different plays. Some of the productions of Mask and Hammer for this year have been "Bell, Book and Candle," "Trojan Women," "A Touch of the Poet," and the musical "The King and I" in the spring.

College Union Council

College Union organizes various activities for the student body throughout the year. Homecoming Weekend in the fall and Gardinia Ball in the spring keep the union very active.

Members of the College Union Council attended a conference in Canada this fall and one in Philadelphia later on in the year. They brought back many new ideas for the coming year.

Women's Glee Club and Jongleurs

The Women's Glee Club is comprised of approximately fifty women who are able to read music and sing well. They have had joint concerts this year with the Men's Glee Club from Rochester. They went on a tour to Long Island and had a spring concert with N.Y.U. The Women's Glee Club is now in the process of planning a tour to Europe for next summer.

The Jongleurs is a group of nine women selected from the Women's Glee Club. This group must possess the ability to perform a wide variety of vocal literature of a more challenging nature than is appropriate for larger vocal groups.

Concert Band Performs For Alumni

This year the Concert Band has gained many new and valuable members, making its total membership approximately fifty students. The band has taken part in the annual Christmas concert and also played for the Alumni Weekend in May. Anyone with musical ability, the free time for rehearsals, and who will keep the spirit of the organization alive is welcome.

Choraleers Go on Tour at Easter

The Choraleers gives the girls on campus an opportunity to sing and gives the college community an opportunity to enjoy their singing. It is not necessary to be able to read music to join. The club went on a two day singing tour during the Easter vacation. The Choraleers sing popular, folk, as well as sacred music.

Men's Glee Club Presents Joint Concerts

The Men's Glee Club is presently comprised of twenty men selected on the basis of their singing and general musical ability. The group performs several times each year for college and other local events, and for high schools throughout the state during an intersession tour. Major choral works are presented in conjunction with other SUCO musical groups and in joint concerts with colleges such as Cazenovia and Russell Sage.

Athletics

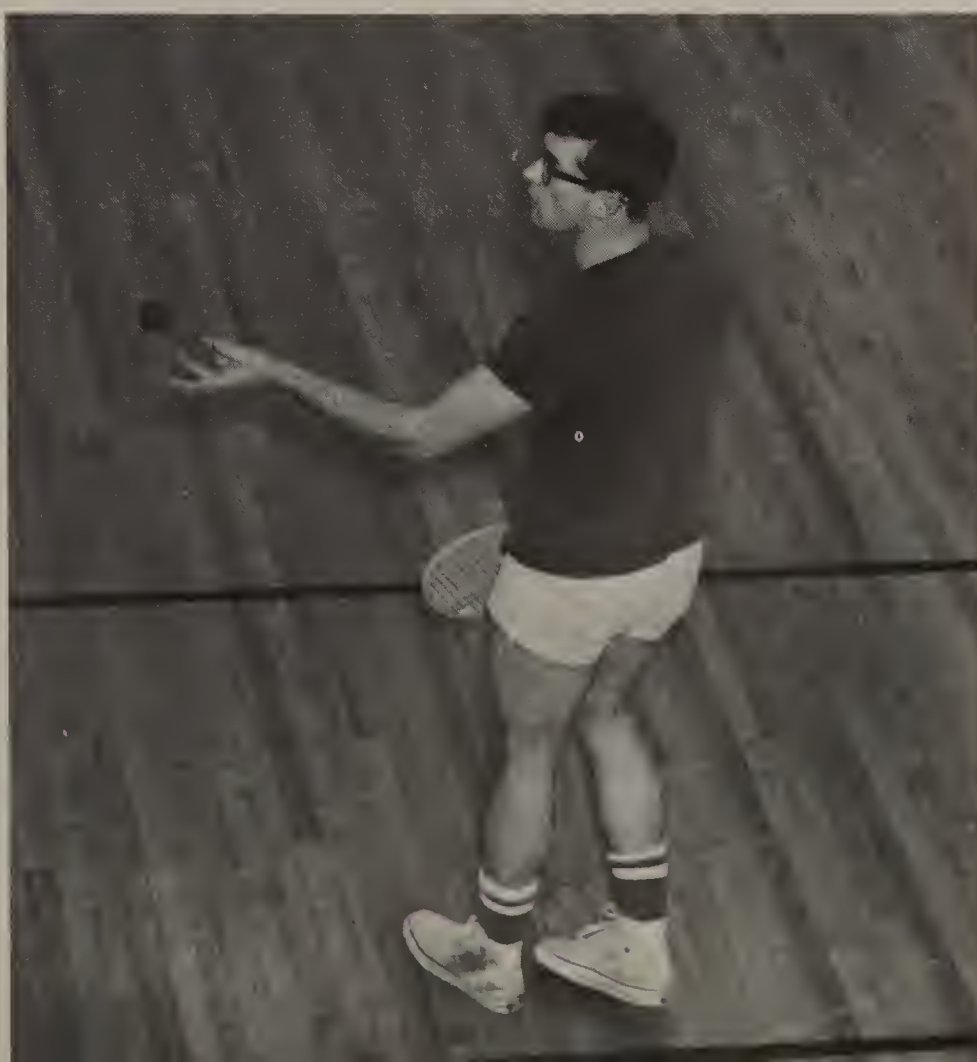

Men's Athletic Association

The Men's Athletic Association is the organization that organizes and directs the men's intramural sports on campus. This year it has been active in such sports as football, basketball and bowling. Teams represented in the M.A.A.'s intramural program are from fraternities, dorms, downtown units, and independents. The goal of the Men's Athletic Association is to provide athletic events for all men on campus and to promote good sportsmanship.

Woman's Athletic Association

The Woman's Athletic Association is the organization on campus which coordinates all the woman's sports. They hold intramurals in bowling, basketball, volleyball, etc. W.A.A. also has intramural sports in basketball, hockey, and softball. There is one representative from each dorm whose job it is to keep the dorm informed of the athletic events on the campus.

Women's Hockey Team at Buffalo Tournament

This past fall the women's varsity field hockey team ended a six-week season with a 3-3-1 record. The numerous hours of practice, under the coaching of Miss Cronk, helped the girls to improve individual as well as team skills. The highlight of the season was a trip by 11 members to the Mid-East Field Hockey Tournament in Buffalo. The college team is affiliated with the USFHA through the local Klipnockie Association.

S. U. C. O. Soccer Team
Fights Hard

The Oneonta soccer team outscored its opponents by a 28-14 margin as it had a winning 5-3-3 record. Highlights of the season included a 2-0 win over previously unbeaten Buffalo State, and a 2-2 double overtime tie against heavily favored New Paltz.

Rick Pozar led the team in scoring with 6 goals followed by Tim Ombima, Robert Stewart and Jack Endryck with 4 each. Pozar and Mike Porter each had 3 assists. Goalie Rick Dirmyer had 129 saves in eleven games with 26 of them in the New Paltz game.

Cross Country Team Has Good Season

The cross country team led by sophomore Jim Dever had an outstanding 14-3 record, the best in Oneonta history. Dever finished first in 15 out of 17 dual meets and came in third at the SUNYAC cross country meet at Buffalo as Oneonta tied Brockport for second place with 78 points.

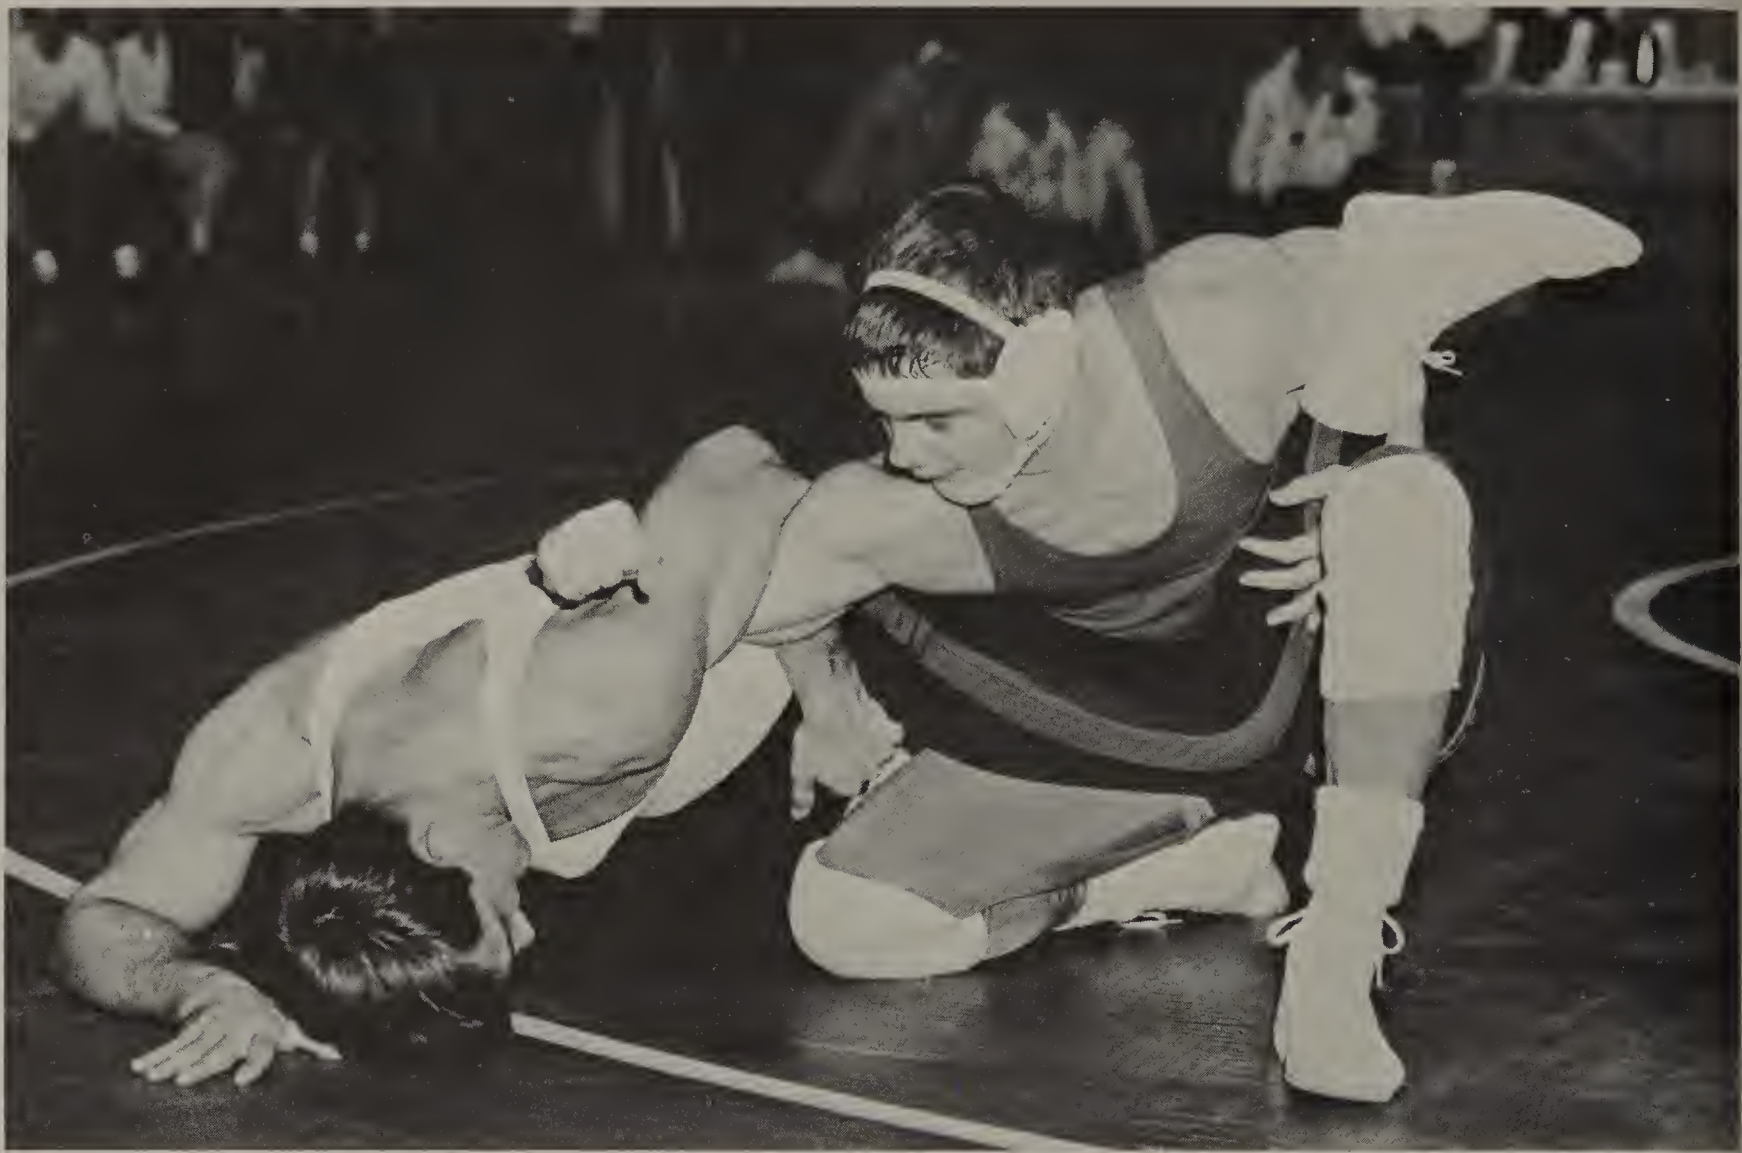

Other strong runners who played an important part in the fine performance by the team were sophomores Al Pastore and Dick Ward, and freshmen Bill Forbes and Bob Donnellan.

Prospects for the 1967 season are very promising as all five of the above runners will be returning.

The Red Dragon wrestlers record of 10-4 was the best in the history of wrestling at Oneonta, with all four of the losses by close margins.

Highlight of the season was an 18-15 win over 1967 conference champion Oswego. Trailing 15-6, Coach Fran Daley's team scrapped back to take the last four matches and the meet.

In the SUNYAC Tournament, Bryan Lambe (160), and Gary Lehr (177) won championships. Doug Clark finished with a second place award. For Lehr, it was his second consecutive year as a conference tournament champion.

Lambe had a 11-1 dual meet record, won the C. W. Post invitational tournament where he was selected as the outstanding wrestler, and had a 4-2 record in the NCAA College Division Wrestling Tournament. Lehr finished with a 12-1-1 dual meet record.

Other top regular season records were by Bob Anderson 8-1-4. Xavier Lewis 7-2-5, Bill Schempp 7-4, Clark 7-4, Dick Samuel 5-2, Dom Iacovazzi 5-2-2, Dan D'Amboise 6-3-2, and Mike Sampson 7-3.

Red Dragons Finish Second

The Oneonta basketball team had an 8-12 season record and came up with a 6-3 SUNYAC league mark to finish second behind undefeated Buffalo State.

Les Grigsby and Mack Lee provided a potent one-two scoring punch with 383 and 382 points respectively. Jay Jacoby had 215 points and George Davis 183 to round out the big four for Coach Ed Kassler's team.

Finishing their basketball careers at the College were Grigsby who scored a total of 687 points for two seasons at Oneonta and George Davis, a fine all-around performer for four years of varsity play.

Returning for next season from the starting lineup will be sophomore Mack Lee and freshman Ron Edelstein, who scored 83 points for the varsity after being moved up in mid-season. A third starter, Jay Jacoby, may be available for part of the season. A combination of other returning squad members and several promising freshmen indicate a well-balanced squad for 1967-68.

Mermen Have Another Winning Season

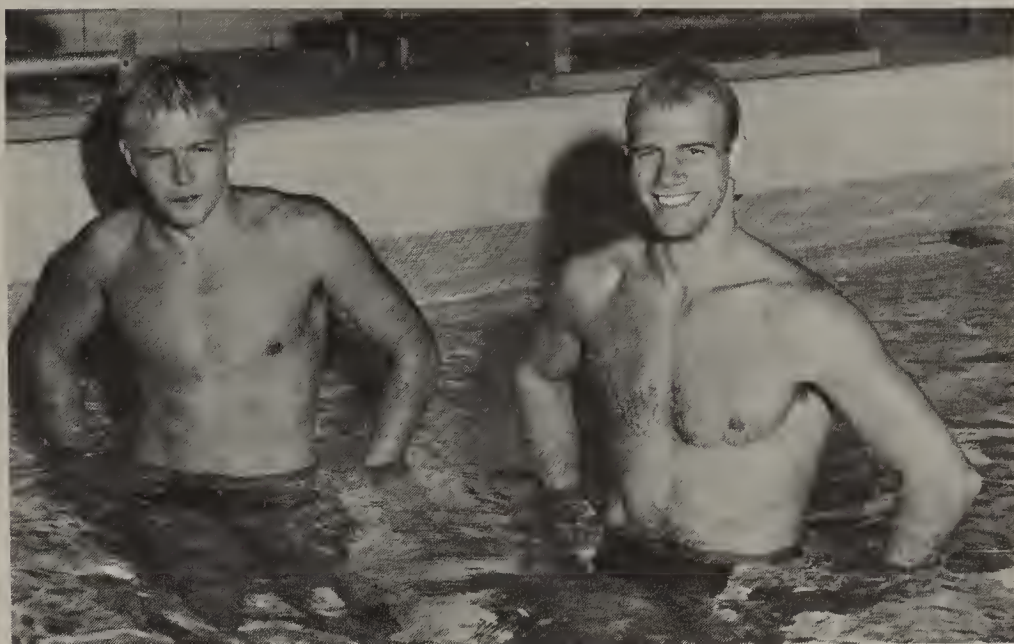

The swimming team had a 10-1 record, losing only to Plattsburgh 48-47 and winning the conference swimming meet in impressive fashion scoring 84 points for a 35 point margin over second-place Brockport.

Two outstanding swimmers for Oneonta, co-captain Ted Bears and Ron Magin, finished brilliant four-year careers this season. For 46 dual meets, Bears was undefeated in the 200 yd. butterfly event, and Magin's only loss in the 200 yd. backstroke was by two-tenths of a second this year against Brockport. Bears won four and Magin three SUNYAC championships and both had been repeat selections as NCAA College Division All Americans. They led Oneonta to a 45-4 dual meet record and two conference championships during their four years on the squad.

Three newcomers, all freestylers, who came through with strong performances throughout the season were George Dymond, Kim Blair and Mike Christy. Dymond had 14 firsts during the year and won the 100 yd. freestyle event at the SUNYAC meet. Christy won 11 times and had three seconds in the conference meet. Blair finished first ten times. Art Hohmann was a strong competitor in both the individual medley and breast-stroke events, taking seven firsts.

Although the loss of Bears and Magin will be felt, Coach Don Ball should have enough returning veterans to come up with another strong team next season.

Mermaids Place First in Vermont

The Women's Swim Team, better-known as our "Mermaids," consists of twenty-three girls and two managers. Headed by Co-Captains Jean Davis and Tina Dieckman the team performed well in several competitive meets. On February 11th the New England State Championship was held at Vermont. Eight teams competed and Oneonta came in first, Vermont second. A trophy was awarded and accepted by the co-captains. At the Skidmore meet Oneonta once again proved a winning team beating Skidmore, Mt. Holyoke and McGill Colleges. On February 25th, at the Cornell State Meet, nine teams competed and Oneonta placed third beaten only by Brockport and Ithaca. The season, although beginning in December and ending in February actually starts way back in October for these girls who are faced with long and strenuous practices at that time. However, all their hard work was not unrewarded.

Frosh Undefeated

Oneonta's freshmen basketball team, coached by Gary Holway, swept its opposition for a 16-0 record. Setting the pace for the undefeated freshmen were Ron Edelstein, who scored 172 points in 8 games for a 21.5 average before joining the varsity, Bryan Hassett, who had 219 points in 13 games and Charlie Jones, 243 points in 15 games. Gil French, Rich Meade and Nels Eshleman rounded out the top scorers and rebounders for the team. It is expected that the above group will see plenty of varsity action the next three years.

Magrin Named to S.U.N.Y.A.C. All Conference Team

The Oneonta baseball team finished with a 7-7 record as Judd Magrin sparked the team with a 4-1 pitching record that included a one-hitter against Brockport. Dave Null was the team's leading hitter with a .422 batting average for the season. Magrin, who batted .386 to go along with his pitching, was named to the SUNYAC All Conference Team. This year, for the first time, the team will be playing on their own field.

Last year, because of poor weather, the softball team was only able to play three of its five scheduled games, winning two out of three. Coaching was done by Miss Kingsley and Mrs. St. John. This year the team expects to play Cobleskill, Mohawk, Albany, New Paltz, and Castleton.

S. U. C. O. Cheerleaders Support School Spirit

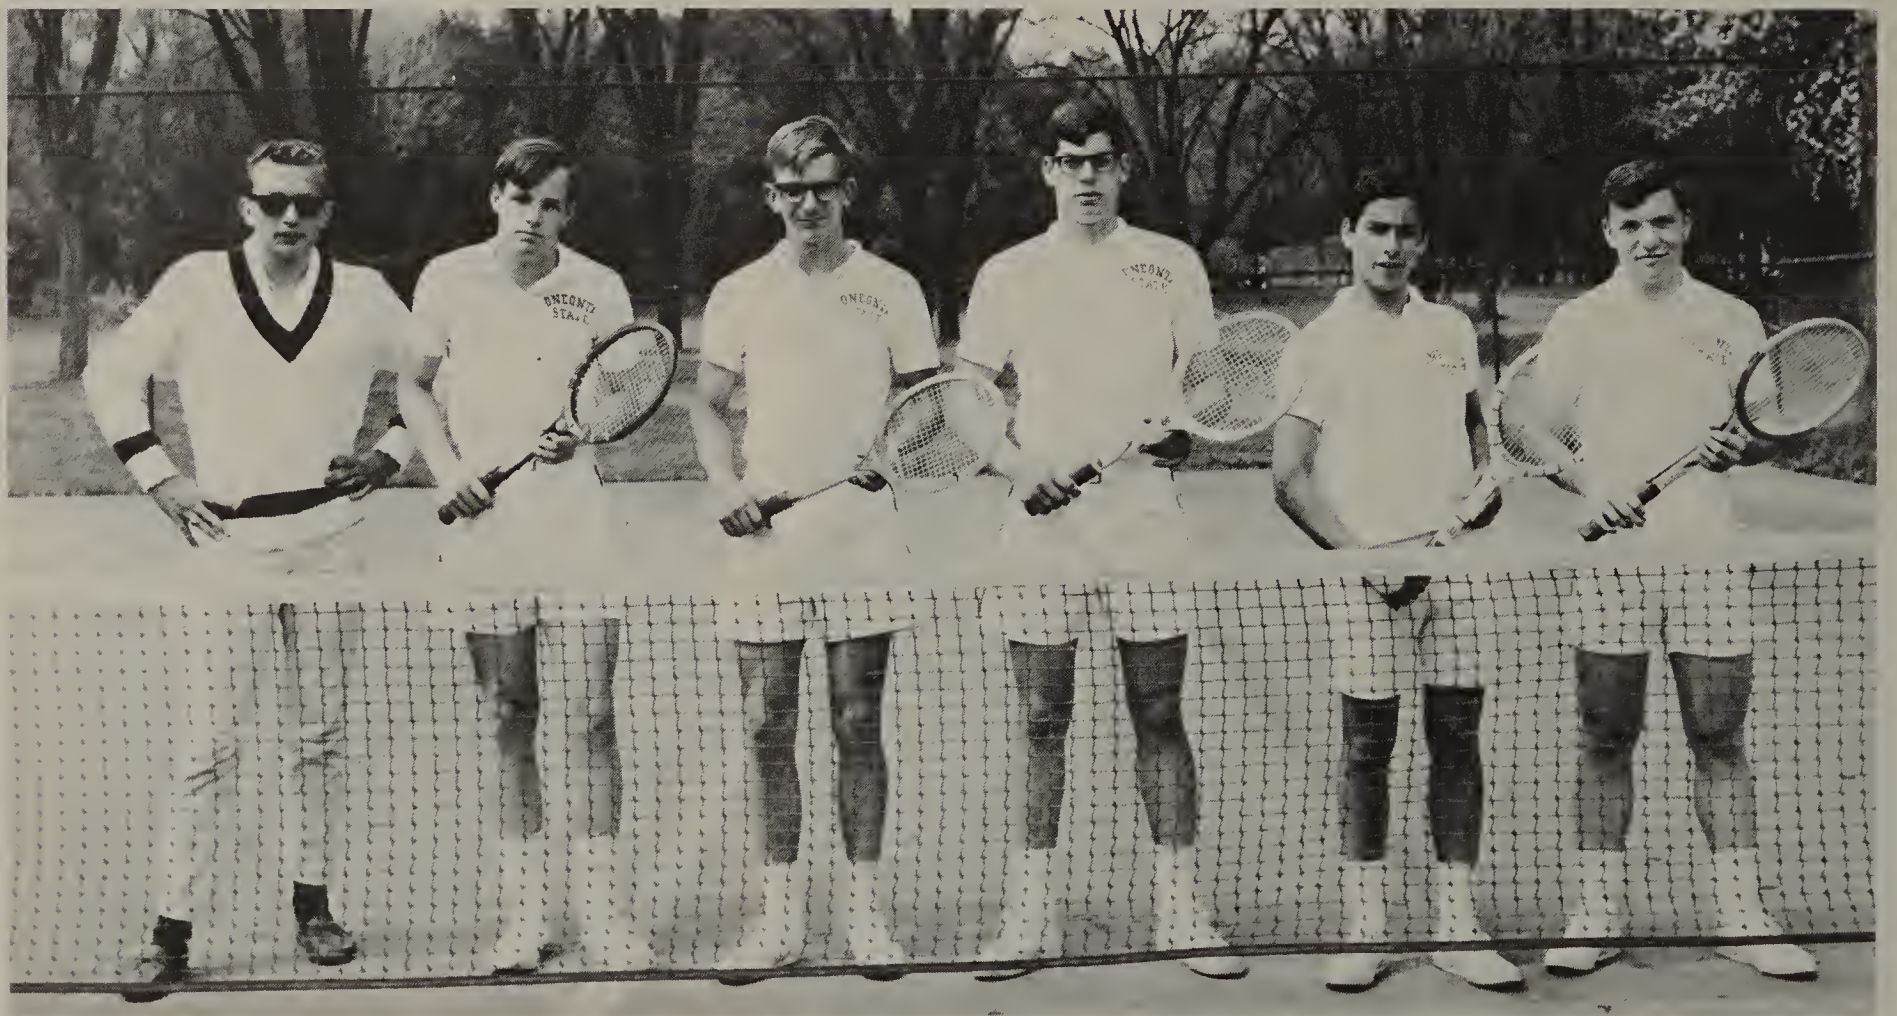

The S.U.C.O. cheerleaders are chosen in the fall. They have several practice sessions and then try-outs are held. These girls in red and white are at all the home Varsity Basketball games and at some of the away games. They help to support our team and add to the school spirit.

Alpha Phi Omega, Xi Rho Chapter, is SUCO's only service fraternity. APO, the largest service fraternity in the world, was founded and operates on the principles of leadership, friendship, and service. Although only 3 years old, APO has greatly expanded its scope on the campus and in the community with projects which include: the record-breaking Bloodmobile (662 pints of blood during a three-day visit), aiding at registration, providing student scholarships and working with local scout troops.

Also, APO supports members of the Peace Corps, conducts nightly visits to the infirmary, provides a Christmas program for underprivileged children, has a yearly clothing drive, and provides many other services which encompass the entire student body in a great variety of ways.

Along with a good social program, APO affords great opportunity for men who wish to serve.

New Service Sorority on Campus-Gamma Sigma Sigma

The members of the probationary colony of Gamma Sigma Sigma, National Service Sorority, are slowly expanding their membership and service activities. This sorority has approximately 60 members and was started last spring.

This year the girls had boys from Camp Brace down for a day at S.U.C.O. The boys enjoyed the pool and gym facilities and the College Union movie in the evening. At Christmas, the sisters sent out more than 55 packages to our soldiers in Viet Nam. The response from these boys was very gratifying. Another project was helping the A.P.O. brothers at their bloodmobile in the spring. Money making projects include a car wash and selling popcorn in the dorms. Gamma Sig took pledges for the first time this spring and are hoping to be soon accepted into the nationals.

Interfraternity Council Correlates Greek Activities

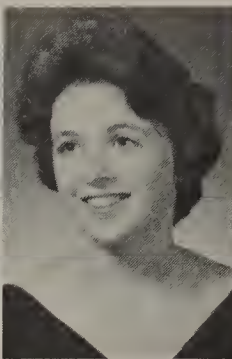

The Interfraternity Council acts to organize and correlate the Greek activities on campus. Among the many activities sponsored by I.F.C. are the Greek Assembly at which a scholarship trophy is awarded to the sorority or fraternity with the highest accumulative average, and at which an Outstanding Greek is selected. This year Lambda Nu Omega was awarded the Scholarship cup, and Marilyn Olsen from Lambda Nu was also selected as the Outstanding Greek. I.F.C. is responsible for the Greek tea held each spring. They also give a tea during Alumni Weekend and each year they adopt a child as a charity project.

AD Holds "Help Week"

Alpha Delta Beta sorority is comprised of fifty-five girls. AD contributed a float, "The Wonderful World of Dr. Seuss," to the Fall Weekend Float Parade. Joan Monser was their candidate for White Rose Queen and Barb Blatz their candidate for Valentine Ball Queen.

In the fall, AD sponsored a singing group from

Cornell, "The Sherwoods." Other money-making projects are jazz concerts, a bake sale, and participating in College Union's Carnival in the spring. During pledging, the new pledges participate in AD's Help Week. During this week, the girls help various community organizations, such as Fox Memorial Hospital.

AGO Has New Singing Group-K Phi's

The Agonian Sorority, is composed of 92 active members, whose purpose is to promote social, intellectual and democratic living among the sisters, the college, and the community.

The sisters of Alpha Kappa Phi participate in Candlelight Open House, Fall Weekend float parade, White Rose and Valentine Ball, an all campus Talent Night, stationery sale, Parents Weekend and Date Weekend, as well as periodic jazz concerts. Their charity functions consist of adopting a needy family at Christmas and participating in APO's "Ugliest Man on Campus" contest for Muscular Dystrophy. They also award an eligible college student the Phyllis Bachrach Memorial Scholarship. A new addition to Ago is their singing group, the K Phi's.

The sisters of Agonian Sorority are very proud of Gail Ford, the reigning White Rose Ball Queen. They also are very happy to have won first place in the Fall Weekend Float competition, as well as placing first in the "Ugliest Man on Campus" contest.

Alpha Sig Plans Fashion Show

Physical, intellectual, spiritual and social development are the four aims of Alpha Sigma Beta Sorority. Presently, Alpha Sig is composed of approximately one hundred members and takes part in many of the activities on the S.U.C.O. campus. They hold a party for the freshmen following Candlelight and enjoy the annual Alpha Sig-TKE football game. Money making projects involve numerous jazz concerts and a scarf sale in the spring. This coming fall they hope to include a fashion show. They participate in White Rose Ball, Valentine Ball, Homecoming, and Ago's Talent Night, where their singing group, The Four Beats and a Measure performs. A Parent's Weekend and a Date Weekend are held annually. Currently the sisters are sponsoring an adopted child from Chile.

Phi Delt Awards Jalbert Memorial Scholarship

Phi Delta Rho was formed in 1959 and its brothers are selected on the basis of brotherhood, service, scholarship, and integrity. Each year the brothers of Phi Delt award the Jalbert Memorial Scholarship to a needy and deserving student at S.U.C.O. The fraternity participates in parties with sororities, Date Parties, Rushing Parties, and Date and Parent's Weekends. Phi Delt is proud of its brothers as they continue to uphold its founding principles both on and off campus.

Pi Chi Sponsors Raffle

Pi Delta Chi, a sorority of seventy-five members, has as its motto "Unity and eternal friendship." We are joined together as an organization that participates in Fall Weekend float parade, the Ugly Contest, White Rose Ball, Talent Night, and Valentine Ball. Our major money-making project is a raffle for a semester's free books.

Parent's Weekend and Date Weekend are held in the spring. Our sorority also sponsors the Emanons, a singing group.

Pi Chi is proud to have Mr. and Mrs. D. Buckley and Dr. and Mrs. J. Sanik as our new advisors.

Arethusa Has Valentine Ball Queen

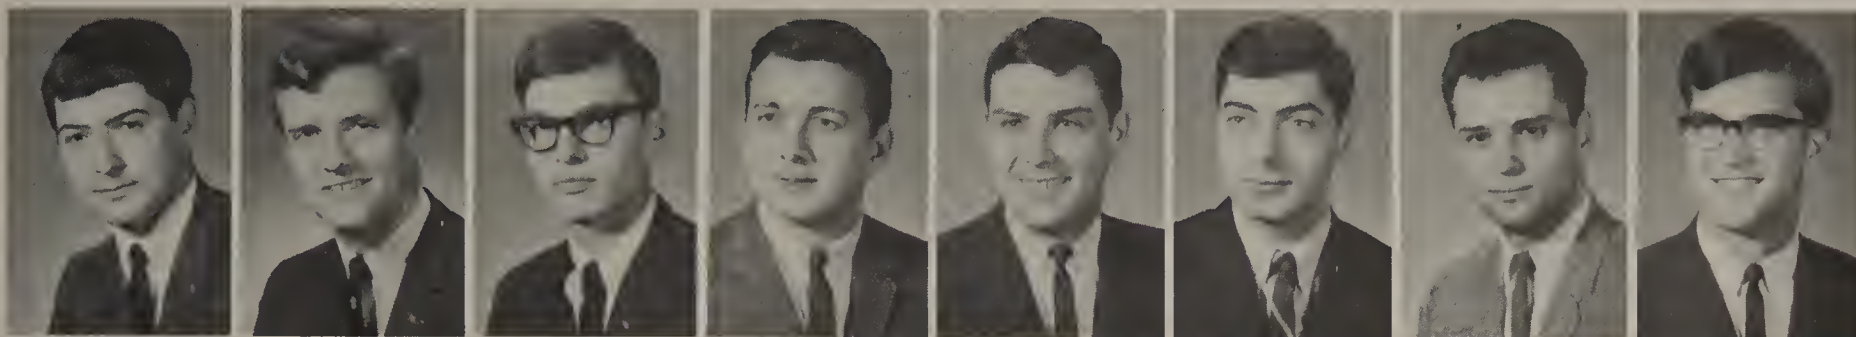

Arethusa sorority, or Sigma Gamma Phi, is proud of their sisterhood, whose objectives are the social and intellectual improvement of its members. The organization consists of 84 girls, 34 of whom live at the "A" house. Each year the sorority enthusiastically participates in all Greek and campus activities. The girls in green and white are proud of their Valentine Ball queen, Cathy Lewis.

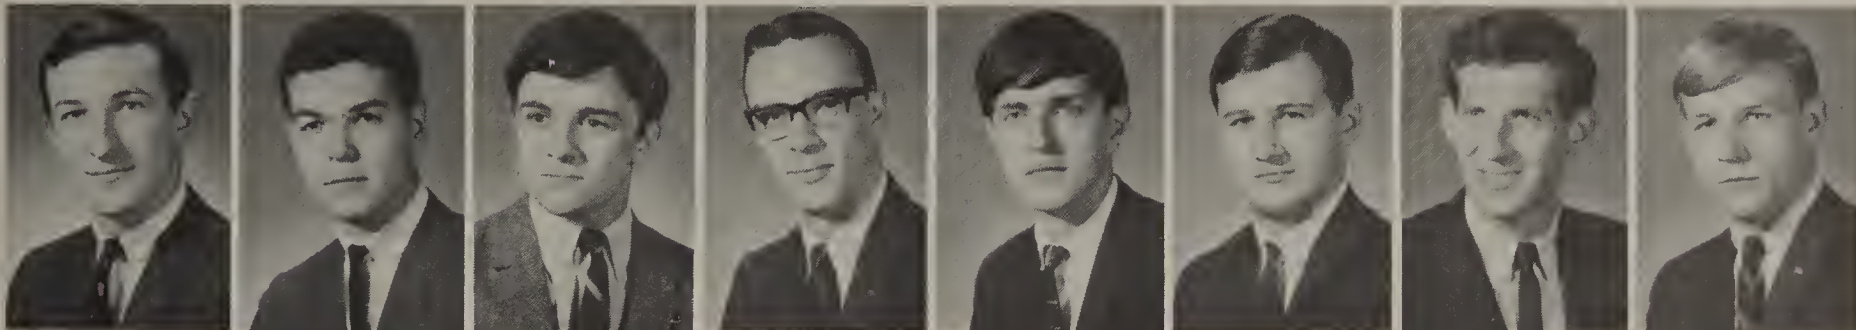

Sig Tau Presents Scholarship Cup

Sigma Tau Alpha was founded in 1948 for the purpose of achieving a highly positive degree of socialization and closeness on the campus and in the community, and to create a feeling of brotherhood. Sig Tau participates in many activities throughout the year. Among them are the M.A.A. sports, the Hugh Hanna Memorial Scholarship, and the Heart Fund. Sig Tau sponsors the annual White Rose Ball, which has become a traditional function at S.U.C.O. The fraternity also presents a scholarship cup to the dorm with the highest accumulative average for each academic year.

Editor's Message

It is quite difficult to express my feelings as the last pages of the 1967 Oneontan go to press. Along with them go many days and nights of hard work, frustration, and much enjoyment.

We have tried, with this book, to present to you an interesting overview of the places, faces and events of this year.

This yearbook could not have been without the assistance of many people. I would like, at this point, to give special thanks to my wonderful staff and to our advisor, Mr. James Georgeson for his help and understanding. I would also like to express my appreciation to Mr. William Sloane, the representative from Foote-Davies Publishing Company for his helpful advice and to Varden Studios for their quality photographs. My thanks also go to Mr. Kenneth Lockridge for filling in and taking photographs in any emergencies.

And now, with much relief and great pride, I present to you the 1967 Oneontan. I hope you like it.

Sincerely,

Valerie J. Malkus

Editor-in-Chief
